

BRT Phase III to be ready by April 2024 - Mbarawa

DID YOU KNOW?

When a procuring entity wants to procure a used item, it must ensure that the same is in good condition without any damage other than normal wear and tear.

NEWS IN NUMBERS

28

Maximum number of days given to a procuring entity to submit to PPRA, a proposal for blacklisting a tenderer from participating in public procurement, after establishing grounds for blacklisting.

Construction of Phase Three of Dar es Salaam bus-based rapid transit system (BRT) will be completed by April 2024, TPJ has learnt.

Speaking to the press when visiting the project, the Minister for Works and Transport, Prof. Makame Mbarawa, said that the project, which covers 23.3 kilometers from Posta along

Azikiwe Street, Bibi Titi Mohamed Street, Nyerere Road to Gongolamboto, is expected to take 20 months.

He said the project was part of the government plan to bring about improvement in the country's vast transportation network to aid people's movement and their economic activities.

"The government is eyeing to reduce congestion

in many areas including Dar es Salaam, whereby various projects are being implementing including

BRT roads and ring roads," said Prof. Mbarawa who went on to explain that the project would include three concrete lanes in each direction.

Procurement News

JE, WAJUA?

Taasisi nunuzi inapotaka kununua kifaa kilichotumika, ni lazima ihakikishe kuwa kifaa husika kipo katika hali nzuri pasipo uharibifu wowote zaidi ya uchakavu wa kawaida.

TAARIFA KATIKA TARAKIMU

28

Ukomo wa idadi ya siku ambazo taasisi nunuzi inapewa kuwasilisha PPRA, pendekezo la kumfungia mzabuni asishiriki zabuni za umma, tangu taasisi inapobaini sababu za kumfungia mzabuni huyo.

This Journal is published by the Public Procurement Regulatory Authority (PPRA) every Tuesday, and can be downloaded from PPRA website www.ppra.go.tz

Continued from Page 1

Agency (Tanroads) to provide the necessary supervision that would enable the project's contractor, namely Sinohydro Construction Corporation, towards a timely completion of the work and value for money for the state.

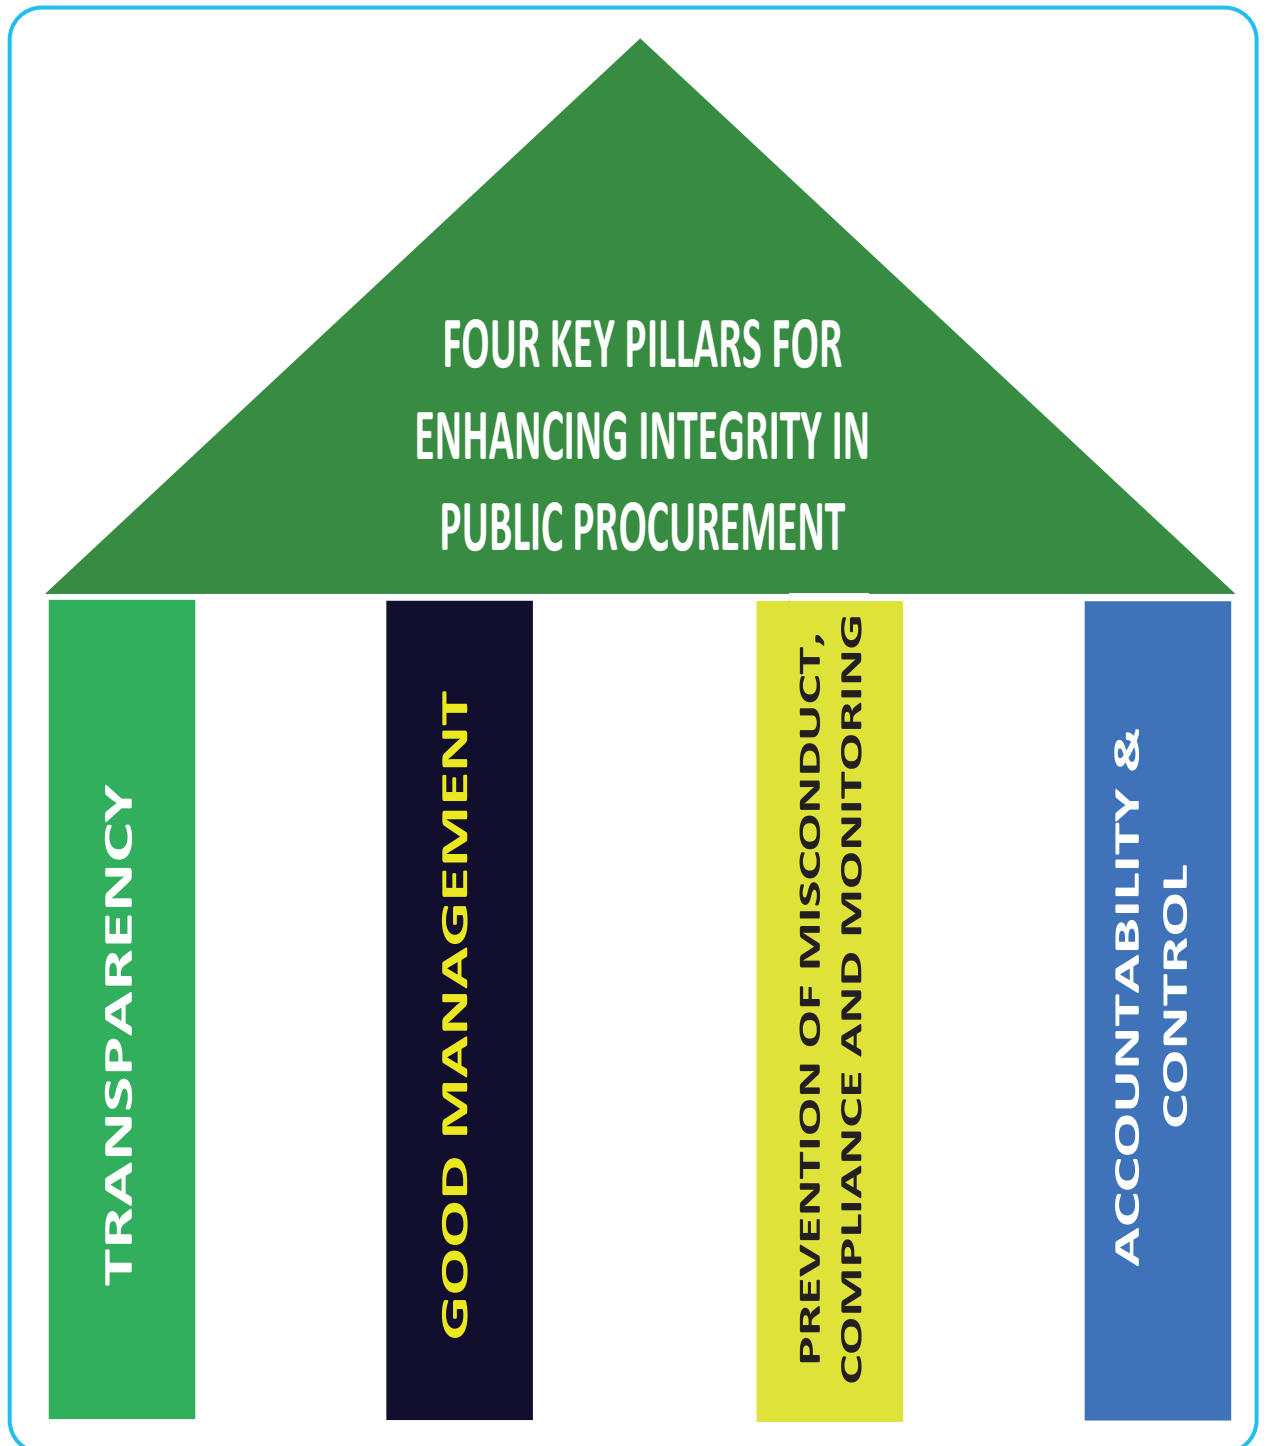

According to BRT Project Manager, Eng. Barakaeli Mmari, the project will also include 32 small and two main stations as well as a pedestrian bridge.

TPJ understands that Phase Two of the BRT project, which is expected to be completed in April this year,

is said to be at a good stage despite a challenge in one of the flyovers, which has been solved already.

“

The government is eyeing to reduce congestion in many areas including Dar es Salaam, whereby various projects are being implementing including BRT roads and ring roads,” said Prof. Mbarawa who went on to explain that the project would include **“three concrete lanes in each direction”**

Mikataba Maalum Inayolenga Kuinua Uwezo wa Wazabuni wa kitanzania

Mipango ya kujenga uwezo inalenga kuboresha maarifa, ujuzi na rasilimali za watu binafsi au taasisi kupitia uendeshaji wa mafunzo ya nadharia, mafunzo ya vitendo, utoaji wa vitendea kazi, rasilimali fedha na fursa za kibiashara.

Serikali imekuwa ikiwajengea uwezo watendaji wanaohusika na utekelezaji wa shughuli mbalimbali katika michakato ya ununuzi ili kuboresha maarifa na ujuzi wao. Inatazamiwa watendaji hawa wakipata maarifa na ujuzi sahihi basi ufanisi wao katika kutekeleza majukumu yao utaongezeka na ndivyo ambavyo serikali itaweza kuwahudumia wananchi vizuri kupitia ununuzi wa umma.

Ni wazi kuwa mafanikio ya mchakato wa ununuzi hayategemei ufanisi wa watendaji wa Serikali pekee bali pia ufanisi wa wazabuni wanaopewa mikataba. Baadhi ya mikataba hiyo imeshindikana kutekelezwa au haikutekelezwa vizuri kwa sababu mbalimbali ikiwemo kukosa maarifa, ujuzi na rasilimali.

Wapo baadhi ya wazabuni ambao wanatambua umuhimu wao katika kufanikisha malengo ya Serikali, hivyo wamekuwa wakijitahidi kufanya vizuri wanapopewa mikataba.

Wazabuni hawa wanastahili kushikwa mkono ili kuwasaidia kukua zaidi kimaarifa, ujuzi na rasilimali ili wazidi kuwa na faida kwa nchi na hata wafikie kwenda kufanya kazi nje ya nchi.

Faida ya kuwajengea uwezo wazabuni ni pamoja na taasisi nunuzi kupata bidhaa, huduma na miundombinu iliyo bora, ndani ya wakati na gharama sahihi.

Kwa kuliona hilo, Serikali, kwa kupitia sheria na kanuni za ununuzi wa umma, inaruhusu taasisi, baada ya kushauriana na mamlaka zingine za serikali, kutenga zabuni maalum kwa ajili ya kujenga uwezo wa wazabuni wa kitanzania.

Kwa mfano, taasisi inayotaka kujenga barabara, majengo, kuchimba visima au kufanya mradi wa maji, inaweza kushauriana na CRB katika kuchagua zabuni na wakandarasi watakaotengewa zabuni maalum.

Uchaguzi wa zabuni za kutengwa ni muhimu ukaangalia zabuni ambazo wazabuni wetu wa kitanzania wanahitaji kujengewa uwezo zaidi ili nao wanufaike kimaarifa,

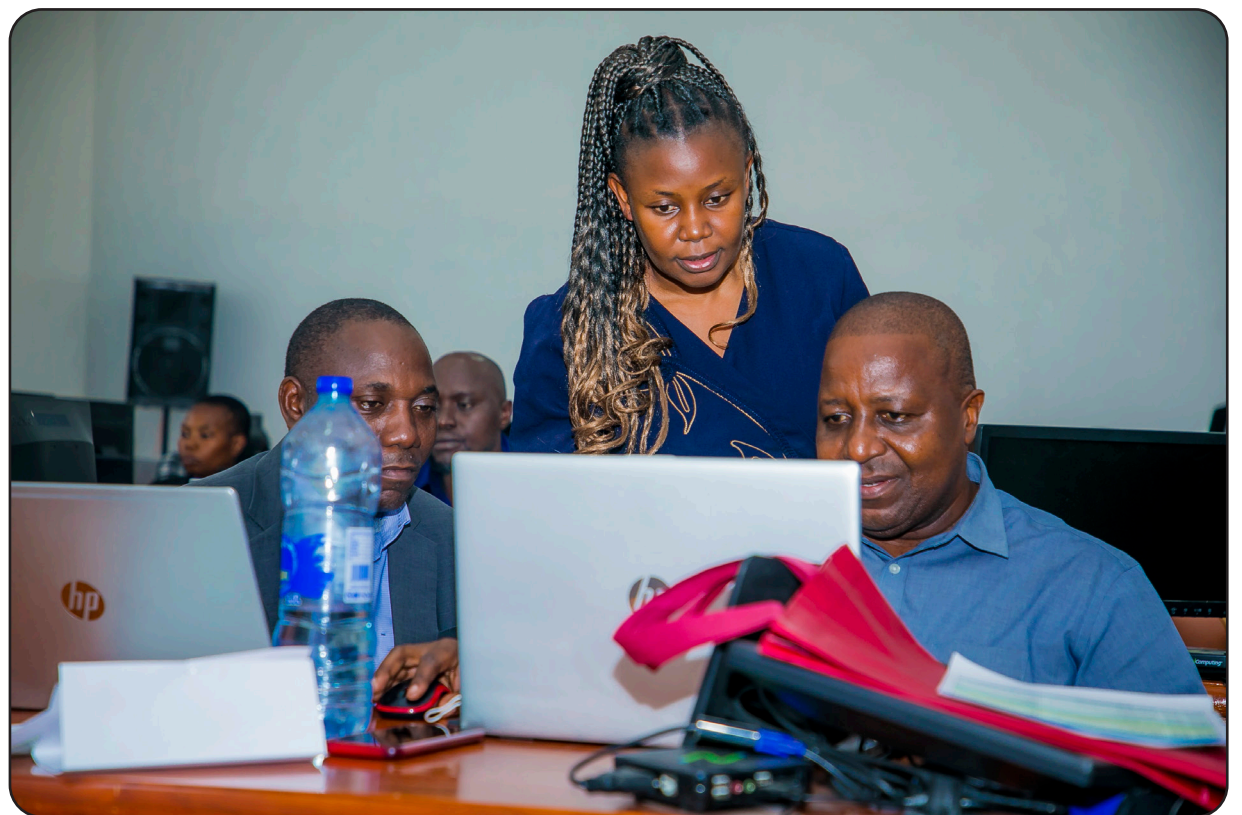

ujuzi, vitendea kazi na kiuchumi.

Ili kufanikisha upatikanaji wa wazabuni kwa utaratibu huu, ni muhimu taasisi nunuzi, kwa kushauriana na mamlaka za serikali, ikatumia vigezo visivyo vya upendeleo, ili kuwapata wazabuni sahihi.

Kanuni za ununuzi wa umma zinasisitiza kuwa zabuni hizo hazipaswi kutolewa kwa utaratibu wa kushindanisha zabuni ila badala yake zitolewe kwa utaratibu wa majadiliano uliolekezwa.

Majadiliano hayo yatasaidia taasisi kueleza mahitaji yao kwa wazabuni, kujua uwezo wao na maeneo ambayo wanahitaji msaada na kutoa mikataba ambao utatimiza matakwa ya pande zote.

Baada ya kuwapa mikataba wazabuni kwa njia ya majadiliano, taasisi inawajibika kwa kuwasimamia na kuwapa msaada watakaohitaji kwa ili watimize majukumu yao na taasisi ipate inachokihitaji kwa wakati, ubora na kwa gharama sahihi.

"Serikali imekuwa ikiwajengea uwezo watendaji wanaohusika na utekelezaji wa shughuli mbalimbali katika michakato ya ununuzi..." Afisa wa PPRA, Jane Kazoba, akiwaelekeza watendaji wa taasisi nunuzi jinsi ya kutumia mfumo mpya wa ununuzi kwa njia ya mtandao (NeST), hivi karibuni mjini Iringa.
