GENERAL NOTICE ON USING TANZANIA NATIONAL e-PROCUREMENT SYSTEM (TANePS) FOR THE DMDP, P123134

The Government of Tanzania has developed the Tanzania National e-Procurement System (TANePS) which was piloted 2018 and it is being rolled out to all public bodies now. As per the government policy, by December 2020, all Procuring Entities using public funds were trained and started using TANePS. Consequently, in June 2020, the World Bank conducted an assessment aimed at evaluating TANePS' suitability to be used for the procurement activities of the projects funded by the Multilateral Development Banks (MDBs), specifically the World Bank and African Development Bank. The assessment concluded that the TANePS is compliant with the MDB e-Government Procurement Guidelines, and, as such, can be used in the procurement activities of projects funded by the World Bank.

Therefore, the President's Office, Regional Administration and Local Government (PO-RALG) informs the general public, Suppliers, Consultants, Contractors and Service Providers that from September 1, 2021, the World Bank financed procurement activities for the Dar es Salaam Metropolitan Development Project (DMDP), P123134 will be processed through the TANePS. Thus, all prospective bidders interested to participate in bid opportunities under this project are required to be registered as users of the system. The registration is open to all local and international bidders. Bidders already registered to use TANePS need not register again. All bidders are encouraged to use the system User Guides or Suppliers Training Videos which can be accessed at <https://www.taneps.go.tz/epps/home.do>. Further, bidders are strongly advised to download "D10 End-User Supplier Manual" which can be found through the "User Manuals" link under "Quick Guide" section on the TANePS home page. For TANePS registration support and any clarifications (help desk), please contact the Public Procurement Regulatory Authority (PPRA) support team through email: support@ppra.go.tz, Telephone: +255 (0)26 2963854; +255 (0)624 494949 or +255 (0)736 494948.
