

All key procurement methods now accommodated in TANEPS

DID YOU KNOW?

TANEPS is not part of a tender document. It is a web-based collaborative system developed to facilitate public procurement processes in Tanzania

NEWS IN NUMBERS 28

Number of days within which a person who becomes aware of circumstances or grounds giving rise to debarment of a tenderer, shall submit a debarment proposal to the Authority.

TENDER OPPORTUNITY

Construction of PPRA Office Building at Plot No. 4 Block B, NCC Area in Dodoma City

Tender No. AE/018/2021-22/HQ/W/01

Method: National Competitive Tendering

Submission Deadline: 22/4/2022 - 1400 hrs

Mode of Submission: TANEPS

More Details: www.taneps.go.tz

By Joseph Muhozi

ALL key methods of public procurement can now be implemented through Tanzania National e-Procurement System, following inclusion of minor value procurement method, TPJ can report.

Speaking during training on TANEPS to staff responsible for public procurement in procuring entities, which was held recently in Mwanza, PPRA's Principal Systems Administrator, Mr. Mapinduzi Muhochi, said now there is no excuse to conduct tender processes out of the system, including the procurement of minor value.

He further said that the inclusion of minor value procurement in TANEPS will enable the government to know the total number of tenders which will, in turn,

Participants of TANEPS training in a group discussion on minor value procurement method

facilitate monitoring and evaluation of tenders in a shorter time.

"This is the reason for offering training on minor value procurement in TANEPS to procuring entity personnel involved in procurement

processes," Mr Mapinduzi said, adding that after the training, there would be no reason whatsoever to conduct any tender outside the system and that both the Authority

Unfairness, alien criteria discredit decision to disqualify bidder -PPAA

By TPJ Reporter, Dodoma

THE Public Procurement Appeals Authority (PPAA) has ruled that unfairness and use of alien criteria in the evaluation exercise

discredit the decision of Singida Regional Administrative Secretary to disqualify a bidder in tender for supply of various medical, diagnostic and orthopaedic items at the region's public health facilities, TPJ can

reveal.

Delivering the decision under Justice (rtd) Sauda Mjasiri, in the appeal of General De Pharmacy

Procurement News /Public Notice

All key procurement methods now accommodated in TANEPS

JE WAJUA?

TANEPS siyo sehemu ya nyaraka ya zabuni. Ni mfumo wa kimtandao ulioanzishwa kwa lengo la kuwezesha michakato ya ununuzi Tanzania

TAARIFA KATIKA TARAKIMU

28

Idadi ya siku ambazo mtu anapewa ili awasilishe PPRA pendekezo la kumfungia mzabuni baada ya kufahamu mazingira au sababu zinazoweza kumfanya mzabuni huyo afungiwe

Continued from Page 1

and the Government will be better placed to know the volume of public procurement in the country.

Commenting on the training, Mr. Donald Mwenda, who was a participant from Tanzania Building Agency, said it would

help reduce audit queries on procurement done offline.

Another participant from Kahama Municipal Council, Ms. Elizabeth Mwakisesele, said that her entity had not been using TANEPS effectively and expressed confidence that the situation would change now that she had been capacitated

to use the system.

The training is in line with Authority's continued effort to enable procuring entities and bidders use TANEPS effectively thereby comply with the Government directives that every tender be conducted through the system.

GOVERNMENT PROCUREMENT SERVICES AGENCY

Tender No. AE/018/2021-222/HQ/W/01

For

Construction of PPRA Building at Plot No. 4, Block B, NCC Area in Dodoma Municipal

Date: 5th April 2022

Invitation for Tenders

1. This Invitation for Tenders follows the General Procurement Notice for this Project which appeared in the Tanzania National-Procurement System (TANEPS) dated 9th September 2021.
2. The Government of Tanzania has set aside funds for the operation of the Public Procurement Regulatory Authority during the financial year 2021/22. It is intended that part of the proceeds of the fund will be used to cover eligible payment under the contract for the Construction of PPRA Building at Plot No. 4, Block B, NCC Area in Dodoma Municipal
3. The Government Procurement Services Agency on behalf of the Public Procurement Regulatory Authority now invites tenders from contractors registered or capable of being registered in Classes One for Construction of PPRA Building at Plot No. 4, Block B, NCC Area in Dodoma Municipal.
4. Tendering will be conducted through the National Competitive Methods procedures specified in the Public Procurement Regulations. Interested eligible Tenderers may obtain further information and inspect the Tendering Documents provided on TANEPS
5. A complete set of Tendering Document(s) in English may be obtained or downloaded through TANEPS.
6. Tenderers are required to register on the TANEPS and pay tender participation fees indicated in the TANEPS to able to participate in this tendering process
7. All Tenders must be accompanied by a Tender security in an acceptable form in the amount 60Million or freely convertible currencies.
8. All Tenders must be submitted through TANEPS at or before 22nd April 2022 at 14.00 hours local time. Tenders will be opened promptly thereafter on TANEPS dashboard and tenderers may participate in the opening by logging into the TANEPS.
9. Tenders not received or opened through TANEPS shall not be accepted for evaluation irrespective of the circumstances.

Procurement News

Unfairness, alien criteria discredit decision to disqualify bidder -PPAA

Continued from Page 1

Limited which was contesting the grounds used by RAS-Singida to disqualify its bid, PPAA faulted the procuring entity in the way it conducted the procurement process, finding it necessary to remind entities that they needed to always strive to achieve the highest standard of equity, taking into account equality of opportunities to tenderers, fairness, and with an eye on obtaining value for money.

According to the decision dated 1 April 2021, the entity had sent notice to inform him that their tender was disqualified because it did not meet requirements on various certificates.

Claiming that the stated requirements were alien criteria, meaning they were not in the tender document, General De Pharmacy Limited applied for administrative review - for which the entity failed to respond thereby pushing him to lodge the appeal. In particular, the appellant was adamant that the requirement to submit certified copies was only stated in the Tanzania e-Procurement System (TANePS), which he deemed not to be part of the tender document, and that the document itself was ambiguous whereby at one point tenderers were not allowed to tender for more than two lots while at another they were allowed for more than one lot.

However, the procuring entity submitted that since the tender was floated through TANePS, it was to be understood by tenderers that the system was part of the tender document and that the stated requirements therein were to be complied with.

In addition, the entity submitted that the appellant had attached tax clearance certificate that indicated he was a retailer instead of wholesaler. It also raised that the application for administrative review had been rendered invalid by a regulation which stipulated that such application did not apply to complaints submitted in response to notice of intention to award.

After the Public Procurement Appeals Authority had reviewed all tendering documents, it discovered unfairness in that the appellant was disqualified for not meeting a requirement that was not in the tender document while the same was also not met by the proposed winner.

Another instance of unfairness was that while the appellant had indeed submitted certified copies of the required certificates the proposed winner had failed to do so, preferring instead to attach uncertified copies.

Furthermore, the Appeals Authority found that the entity's other ground for disqualifying the appellant, namely that the appellant did not attach tax clearance certificate for wholesale business, was invalid as the requirement was not in the tender document, a fact which was given weight by the bids of proposed winners – whose tax clearance certificates showed they were retail business just like the appellant.

It is also apparent that the Appeals Authority was at a loss to find reason which made the entity fail to disqualify both the appellant and the proposed winner on the grounds that both did not adhere to a requirement that they should not tender for more than two lots.

Regarding TANePS, the Appeals Authority agreed with the appellant that the entity was wrong to add a requirement prescribed in the system which was not in the tender document, and ruled that disqualifying the appellant while qualifying others based on the criteria that was not in the tender document contravened the public procurement law.

The Appeals Authority went on to nullify the disqualification of the appellant's tender and ordered the entity to restart the tendering process in compliance with the law.

Usimamizi wa mradi wa Force Account

Na Frank Yesaya, Afisa Ununuzi - PPRA

UTEKELEZAJI wa kazi za ujenzi kwa utaratibu wa kikosikazi unahitaji usimamizi wa karibu sana ili kukidhi viwango vya ubora, muda wa utekelezaji na gharama zilizopitishwa.

A. Meneja au Msimamizi-mradi

Mwongozo wa Force Account unamtaka afisa masuuli kumteua meneja au msimamizi-mradi kwa mradi husika. Meneja huyo atateuliwa kwa kuzingatia fani, utaalamu na uzoefu unaohitajika kwa mradi ule na atapaswa kuwa mtu aliyesajiliwa katika fani ya uchoraji, ukadiriaji majenzi au uhandisi.

Majukumu ya meneja ni pamoja na kupitisha mpangokazi wa ujenzi kabla haujaanza kutekelezwa; kusimamia ujenzi huo; kupima na kuthibitisha ujenzi unaofanyika pamoja na gharama zake; kuthibitisha ujenzi uliokamilika; na kusimamia timu ya utekelezaji mradi.

Meneja ndiye msimamizi mkuu wa mradi wa Force Account kwa upande wa utaalamu, huku afisa masuuli akiwa msimamizi mkuu kiutawala.

B. Timu za Utekelezaji na Usimamizi

Afisa masuuli anatakiwa kuteua timu mbili: ya utekelezaji wa mradi na ya usimamizi na wajumbe wa timu hizo watapendekewa na mkuu wa idara ya ufundi; wajumbe hao wanapaswa kuwa na fani, uzoefu au ufundi katika masuala ya ujenzi.

Majukumu ya timu ya utekelezaji ni pamoja na kuanisha vifaa, mashine na mitambo kwa ajili ya ujenzi huu, kuandaa mpangokazi wa ujenzi, kupanga wahusika wa kutekeleza kazi za ujenzi, kusimamia eneo la ujenzi, kuandaa mikataba ya vibarua na kutekeleza

ujenzi kama anavyofanya mkandarasi.

Majukumu ya timu ya usimamizi ni pamoja na kufuatilia utekelezaji wa mradi kwa mujibu wa mpangokazi, ubora na bajeti iliyowekwa; kuhakikisha taratibu na sheria husika zinafuatwa; kupima na kuthibitisha kazi za ujenzi zilizofanyika; kuidhinisha malipo yanayohusiana na utekelezaji wa ujenzi; kusimamia mikataba ya ujenzi na kuandaa ripoti za maendeleo ya mradi.

Timu hizi zinapaswa kufuatilia na kutoa taarifa ya vihatarishi vyote vinavyoweza kusababisha mabadiliko ya gharama, muda na ubora wa kazi ili hatua za kurekebisha zichukuliwe mapema.

Mabadiliko yoyote yatakayohusiana na muda, gharama, ubora au viwango vya kazi, yanapaswa kuombewa kibali kwenye bodi ya zabuni kupitia afisa masuuli kabla ya kuyatekeleza.

C. Utunzaji wa Kumbukumbu

Taasisi inapaswa kutunza kumbukumbu za:

- i.) Mipango ikiwemo ya ununuzi, mpangokazi wa ujenzi, michoro ya ujenzi, bajeti au makisio ya gharama za ujenzi na mpango wa usimamizi wa ubora
- ii.) Nyaraka za ununuzi zilizotumika kununua nguvukazi, vifaa, mashine na mitambo ya ujenzi, zikiwemo zilizoainisha mahitaji ya ununuzi na kuomba zabuni kutoka kwa wazabuni, zabuni zilizowasilishwa, barua za uteuzi wa kamati za ufunguzi na tathmini, ripoti za ufunguzi na tathmini za zabuni, mihtasari ya kamati za majadiliano (kama yaliyafanyika) na mihtasari ya bodi ya zabuni na barua za tuzo za zabuni

- iii.) Mikataba ya ununuzi wa nguvukazi, vifaa, mashine na mitambo ya ujenzi ikiwemo vigezo msawazo (specifications), michoro na nyaraka nyingine zinazopaswa kuambathishwa kwenye mikataba
- iv.) Nyaraka za malipo kwa wazabuni wa vifaa, mashine, mitambo na nguvu kazi za ujenzi ikiwemo mikataba ya ununuzi, ripoti za mapokezi na ukaguzi, vyeti vya kukubali kupokea vifaa, nyaraka za kuwasilisha vifaa na kudai malipo kutoka kwa mzabuni na hati za malipo kwa upande wa taasisi ununuzi
- v.) Ripoti za maendeleo ya kila siku, wiki au mwezi kulingana na maelekezo ya afisa masuuli.
- vi.) Mihtasari ya kamati au timu zinazohusika na utekelezaji wa mradi ikiwemo na mihtasari ya vikao vinavyofanyika eneo la ujenzi
- vii.) Maelekezo yote yatakayotolewa na mwajiri kupitia msimamizi wa mradi kwenda kwa mkandarasi au timu ya utekelezaji
- viii.) Mawasiliano baina ya kamati za utekelezaji, mwajiri na mkandarasi pale ambapo mradi umetekelezwa kwa kushirikiana na mkandarasi.

D. Uwajibikaji

Watu wote na taasisi zote zilizoteuliwa kutekeleza mradi wa Force Account zinapaswa kuhakikisha mradi unatekelezwa kwa ubora uliopangwa, na makosa yanaondolewa mapema. Aidha, iwapo mradi hautatekelezwa kabisa au utatekelezwa chini ya ubora uliopangwa, wote waliohusika watachukuliwa hatua za kinidhamu na aliyewateua au mamlaka sahihi na wanaweza kushtakiwa kwa mujibu wa sheria za nchi.

Awarded Contracts

This Section provides summaries of awarded contracts by Procuring Entities (PEs) pursuant to First Schedule of Government Notice No. 446. General public is advised to confirm the details herein from the Tanzania National e-Procurement System (TANePS) portal which is accessible at www.taneps.go.tz.
