CAG blames Temeke Municipal Council over failure to recover 2b/- from contractors

By Mcharo Mrutu, Dodoma

THE Controller and Auditor General (CAG) has said Temeke Municipal Council is to blame for failure to act soon enough to recover TZS 1,952,241,124 which had been paid to contractors as advance payment and guaranteed by banks after the former failed to meet contractual obligations, TPJ has learnt.

According to CAG's development project report for 2020/21, which was released recently, the council had effected advance payments amounting to TZS 4,661,543,947.35 which had been guaranteed by banks, to two contractors who later failed to meet their contractual obligations on the Dar es Salaam City Masterplan Development Project (DMCDP), thereby triggering recovery of the monies.

However, while the entity collected TZS 2,709,302,823.25 the CAG was dismayed to discover that by 30 June 2021, a sum of TZS 1,952,241,124 was yet to be recovered and could not because the relevant bank guarantees had expired.

The CAG points a finger of blame at poor supervision of projects at the council as they failed to keep an eye on the project as well as on the expiry of the bank guarantees while recovering the monies. He cautioned that should a contractor fail to deliver on a project for which advance payment was made, the entity would have

Controller and Auditor General, Mr. Charles Kichere

no legal avenue of claiming the monies from the contractor after expiry of the bank guarantee.

He recommended that the management of Temeke Municipal Council keep a close eye on

contract clauses related to various stages of project implementation in order to meet the goals of the DMCDP, and to ensure that new bank guarantees include the sums that have not been claimed.

Makala

Matumizi ya utaratibu mpya wa zabuni unaoainisha bajeti kwa wazabuni

Na Dkt. Ramadhan S. Mlinga - Mhandisi mshauri wa ununuzi na ujenzi

Dkt. Ramadhan Mlinga

TAASISI nyingi za umma zimekuwa zikilalamika kuhusu bei kubwa zitolewazo na wazabuni, na hata wengine, kwa kazi za ujenzi mpaka zinaamua kutumia utaratibu wa Force Account. Suluhisho la kuzuia bei kubwa kutoka kwa wazabuni ni matumizi ya utaratibu mpya wa manunuzi ulioainishwa kwenye kanuni mpya, Namba 151A ya Kanuni za Manunuzi 2013, zikisomwa pamoja

na marekebisho yake ya mwaka 2016.

Kanuni hiyo inaainisha utaratibu wa kufanya manunuzi kwa kuwajulisha wazabuni kiasi cha bajeti iliyotengwa kwa kazi husika, na mzabuni atakayeleta zabuni inayozidi kiwango hicho cha bajeti, zabuni yake itakataliwa. Nimeirejea kanuni hiyo kwa lugha ya Kingereza hapa chini:-

National, International and restricted competitive tendering on fixed budget

151A.-(1) The National, international and restricted competitive tendering on fixed budget method may be used when the procurement budget is fixed.

(2) The invitation for tender shall indicate the available budget and require the tenderer to bid within the budget.

(3) The schedule of requirements shall be in a manner that ensures the budget is sufficient for execution of the contract.

(4) Tender shall be subjected to evaluation.

(5) Tender that exceeds the indicated budget shall be rejected.

Kwa bahati nzuri, nyaraka za zabuni zilizotolewa na PPRA na kuanza kutumika hivi karibuni – February 2022 - zimejumuishwa matumizi ya utaratibu huo. Nimerejea vipengere vinavyoruhusu matumizi ya utaratibu wa kuainisha bajeti kwa wazabuni kama vilivyoainishwa kwenye maelekezo kwa wazabuni (Instruction to Tenderers) katika nyaraka za zabuni za Vifaa (Goods), Kazi ndogo za ujenzi (Small Works), na huduma mbalimbali (Non-consultancy Services).

Relevant Section of Instruction to Tenderers	Provision in the Standard Tender Document
ITT 15.11 for STD for Goods, ITT 15.6 for STD for Small Works and ITT 16.9 for STD for Non-Consultancy Services	In the case of National, International and Restricted Competitive Tendering on Fixed Budget Method, the Tender Price quoted by the Tenderer shall not exceed the budget indicated in the TDS. Any Tenderer, whose Tender Price exceeds the provided budget, shall be rejected.
ITT 30.3 for STD for Goods and ITT 29.3 for STD for Small Works	In the case of National, International and Restricted Competitive Tendering on Fixed Budget Method, determination as to whether the tender is within the budget shall be made during arithmetic correction. Any tenders, whose corrected tender price exceeds the available budget shall be rejected,
ITT 34.2 for STD for Goods, ITT 33.2 for STD for Small Works and ITT 34.2 for STD for Non-Consultancy Services	ITT 33.2 In the case of National, International and Restricted Competitive Tendering on Fixed Budget Method, the lowest evaluated price shall not exceed the provided budget. If the price of the Lowest Evaluated Tender exceeds the provided budget, it shall be rejected.

Kutokana na kuingizwa vipengere hivyo kwenye nyaraka za zabuni, ni wazi kuwa taasisi za umma sasa zinaruhusiwa kutumia utaratibu huo kama ulivyoainishwa kwenye kanuni, na sasa kwenye nyaraka za zabuni.

Kwenye kazi za ujenzi, dhamira ya taasisi nyingi katika kutumia utaratibu wa Force Account ni kupunguza gharama. Lakini lengo hilo linaweza kuwa na matokeo hasi pale ambapo uwezo wa taasisi kusimamia utekelezaji wa miradi utakuwa ni mdogo, hasa pale ambapo wana miradi mingi ambayo utekelezaji wake unafanyika wakati mmoja. Kwa kutumia kanuni 151A – taasisi ya umma itafanya tathimini za kina za gharama ya kuutekeleza mradi huo kwa kumtumia mkandarasi. Tathimini ya gharama za mradi, kwa mujibu wa kanuni 151A(3), itatakiwa izingatie kuwa bei iliyokadiriwa itamwezesha mkandarasi kutekeleza mradi huo kwa ufanisi. Hivyo, tathimini hiyo itatakiwa izingatie gharama halisi za ujenzi na gharama ambazo mkandarasi zinamkabili katika kutekeleza matakwa ya sheria mbalimbali, na kiwango cha faida kinachoridhisha kwa mkandarasi.”

Labda, nieleze kufurahishwa kwangu kwa kuingizwa utaratibu huu wa “National, International and restricted competitive tendering on fixed budget” kwenye kanuni za manunuzi za Mwaka 2013 zikisomwa pamoja na marekebisho yake ya Mwaka 2016. Mwaka 2014 niliandika mada

Makala

Matumizi ya utaratibu mpya wa zabuni unaoainisha bajeti kwa wazabuni

Inatoka Ukurasa wa 14

“Je, ni Kosa Kisheria Taasisi Kutangaza Bajeti iliyotengwa kwa ajili ya Ununuzi,” katika Jarida la Ununuzi Namba 45, Toleo Namba VII la tarehe 14 Novemba 2014. Katika mada hiyo nilikuwa ninajenga hoja ya kutaka sheria iweke wazi kuwa taasisi za umma zinaweza kuweka wazi bajeti zao wakati wanatangaza zabuni. Ninanukuu sehemu ya mada hiyo:

“Kwa maoni yangu kuwasilisha bei inayokaribiana na bajeti iliyotengwa sio tatizo bali husaidia kuongeza ushindani hasa pale ambapo makadirio ya bajeti hiyo yamefanywa na wataalamu kwa umakini na kwa kuzingatia ukubwa wa zabuni, ubora wa bidhaa au huduma na bei ya soko. Aidha, kwa kuwa bajeti hiyo itakuwa imewekwa wazi kwa wazabuni wote, kila mmoja atajaribu kuwasilisha zabuni yenye ushindani ili amshinde mwenzake. Pia, ikumbukwe kuwa pamoja na bajeti kutowekwa wazi, wapo baadhi ya wazabuni ambao wamekuwa wakizipata hizo bajeti kwa mlango wa nyuma kupitia watumishi wa taasisi nunuzi wasio waadilifu, kitendo ambacho ni kinyume na taratibu za ununuzi. Hivyo, bajeti zisipowekwa wazi wakati mwingine hutoa mwanja wa vitendo vya rushwa na udanganyifu katika jitihada za kuitafuta hiyo bajeti. Aidha, usiri wa bajeti huweza kuchangia ushindani potofu kwani kuna wazabuni ambao watakuwa wanajua bajeti na hivyo kuleta bei zao zikiwa zinakaribiana na bajeti na wapo ambao wataleta bei zao kulingana na tathmini ya kile kinachotakiwa kufanyika bila kuwa na fununu yoyote kuhusu bajeti. Iwapo suala la uvujaji wa siri ya bajeti iliyotengwa halitajulikana, taasisi nunuzi itaona kwamba mzabuni ambaye anakaribia bajeti iliyotengwa anafaa na hivyo kumuacha mzabuni ambaye amefanya tathmini sahihi kuhusu ukubwa, ubora wa kazi na bei halisi ya soko kwa kuwa zabuni yake iko nje ya bajeti ya taasisi.

Hasara ya kuweka wazi bajeti kwa wazabuni inaweza kujitokeza pale ambapo makadirio yaliyofanywa na taasisi hayakufanywa kitaalamu na kwa kuzingatia ukubwa, ubora na bei halisi ya soko. Hali hiyo inaweza kufanya bajeti iliyotengwa

na taasisi kuwa kubwa au ndogo. Bajeti iliyotengwa kama itakuwa kubwa kuliko hali halisi ya bei ya bidhaa au huduma kwenye soko, basi taasisi inaweza kupata hasara ya kumchagua mzabuni ambaye bei yake inaonekana kuwa inakaribiana na bajeti lakini ukilinganisha na hali ya bidhaa na huduma kwenye soko, bei yake ni ya juu. Pale ambapo bajeti iliyotengwa ni ndogo ukilinganisha na bei ya bidhaa au huduma kwenye soko, wapo wazabuni ambao bila kujali gharama zao halisi wataleta zabuni zenye bei zinazokaribia bajeti, na iwapo watapelewa mkataba watahindwa kuleta vifaa au kutoa huduma zenye ubora unatotakiwa. Kwa hiyo, pale ambapo taasisi imefanya makosa katika makisio yake na hivyo kufanya makisio hayo kuwa makubwa au madogo ukilinganisha na bei ya soko, kwa kutoainisha bajeti yake kwa wazabuni, itapata faida ya kupata ushindani kulingana na bei ya soko.”

Msisitizo niliutoa kwenye mada hiyo umezingatiwa kweye Kanuni Ndogo 151A(3). Kanuni hiyo inazitaka taasisi nunuzi zihakikishe kuwa makadirio ya gharama na bajeti iliyotengwa inatosha kwa mradi au huduma zinatolewa kufikia kiwango cha ubora kilichokusudiwa.

Naona kuwa Kanuni ndogo ya 151A(3) ndiyo changamoto ya utekelezaji wa utaratibu wa kuainisha bajeti kwa wazabuni. Utaratibu ni mzuri, na utatuwezesha kudhibiti bei, lakini je, tunayo miongozo ya kutosha ya jinsi ya kuandaa bajeti zetu kwa ajili ya kuitisha zabuni? Makadirio ya gharama yanatakiwa yazingatie gharama halisi za malighafi, gharama za usafirishaji hadi kwa mteja ikikujumisha gharama za bima na kuhifadhi mali, gharama za ukaguzi, na gharama za mzabuni kutekeleza Sheria mbali mbali za nchi. Mara nyingi taasisi zimekuwa zikiaangalia zaidi bei ya kununua bidhaa hiyo kutoka vyanzo husika bila kukadiria gharama zingine atakazozipata mzabuni hadi kufikisha na kukabidhi bidhaa kwa taasisi, au kutekeleza huduma husika, kwa kuzingatia sheria zote za nchi, na kumwezesha kupata faida ambayo ndiyo inayochangia katika kodi anayotakiwa kulipa.

Pia, ipo changamoto katika mfumo wa uandaaji

bajeti. Kwa kawaida taasisi huandaa bajeti na kuiwasilisha kwenye chombo kinachohusika kuiidhinisha. Mara nyingi, kinachojitokeza ni kuwa bajeti inayoidhinishwa ni ndogo kuliko ile iliyoombwa. Kwa uzoefu wangu, baadhi ya taasisi hugawanya ile bajeti kwenye vifungu mbalimbali walivyowasilisha awali, alimradi kila kifungu kipate kiasi kidogo cha pesa, bila kujiuliza bajeti ile itaadhiri vipi kazi/huduma iliyopangwa. Pale ambapo tathmini ya gharama imefanywa kwa umakini, uamuzi unaweza kuwa ile kazi au huduma kwa mwaka ule wa fedha iahirishwe, au ipunguzwe ili ilingane na bajeti.

Napenda kuhitimisha mada hii kwa mapendekezo yafuatayo kwa taasisi zenye nia ya kutumia utaratibu wa “National, International and Restricted Competitive Tendering on Fixed Budget”.

Kwanza wahakikishe wanakadiria gharama za kufanya ununuzi kwa kuzingatia gharama halisi za malighafi (bidhaa), gharama za usafirishaji hadi kwa mteja ikikujumisha gharama za bima na kuhifadhi mali, gharama za ukaguzi, na gharama za mzabuni kutekeleza sheria mbali mbali za nchi. Hili linahitaji kutumia wataalamu walioboea katika eneo lao na kufanya utafiti wa kina na kuelewa hali halisi ya soko ilivyo; na

Pale ambapo bajeti haikupitishwa kwa kiasi walichoomba, wana jukumu la kufanya tathmini ya kina kuhakikisha kuwa bajeti mpya iliyotengwa, inatosha kutekeleza zabuni, na inapobidi, wapunguze ukubwa wa kazi/huduma ili iendane na bajeti.

Kwa upande wa wazabuni, wanapoona kuwa taasisi imeainisha bajeti, wajiridhishe kama wataweza kuifanya kazi au kutoa huduma ndani ya ile bajeti, ukilinganisha na bei ya vifaa na gharama zingine kwenye soko. Itakuwa ni kujitia kitanzi kama mzabuni atakubali kuleta bei iliyo chini ya kiasi kilichotengwa kwenye bajeti, huku akijua kwamba hakika hataweza kutekeleza kazi au huduma kwa bei ile.

Awarded Contracts

This Section provides summaries of awarded contracts by Procuring Entities (PEs) pursuant to the First Schedule of Government Notice No. 446. The general public is advised to confirm the details herein from the Tanzania National e-Procurement System (TANePS) portal which is accessible at www.taneps.go.tz

Name of PE	Tender No.	Description	Procurement Method	Tenderer	Award Date	Amount (TZS)
Contractors Registration Board	PA/064/2019/2020/G/05	Supply of Motor Vehicle tyres by using Framework Agreements for Dar es Salaam Region	Mini competition using GPSA FWAs	Unyanyembe Traders Co.	15 July 2021	3,125,000.00
Ocean Road Cancer Institute	PA-010/2020-21/W/15	Proposed block a building external walls paint	National Shopping	Kalomba Construction Company Limited	15 July 2021	94,863,688.14
